

# Data Quality Analysis and Revalidating the Pipelines

---

Robert Lupton  
LSST Pipeline Scientist

2017-01-25

---

# Overview

---

LSST DM construction has two tasks:

- build the pipelines
- Commission the pipelines with the real telescope and camera

# Overview

---

LSST DM construction has two tasks:

- build the pipelines
- Commission the pipelines with the real telescope and camera

Fortunately *validating* and *commissioning* are very similar tasks.
